

HARBRO Cares  
TEAM PORTLANDIA

On Wednesday, July 26, 2019, our Portland branch, along with Dave Moll and friends of HARBRO got together to assemble gift filled shoeboxes together for children in need all over the world. We have partnered with Samaritan's Purse this year, and with our \$1000 donation, HARBRO purchased the shoe boxes, along with hygiene products like toothbrush holders, soap, and small towels. We created an assembly line and knocked out 100 boxes in no time while working together as a fast and efficient team. More gifts will be donated from The Samaritan's Purse community to complete the gift boxes which will include school supplies, puzzles, games, and other "wow" items before the holiday season. With an additional \$1000 donation, HARBRO will cover the shipping cost for our 100 boxes and drop them at a nearby collection site during National Collection Week. We are so excited the gift boxes we put together in Portland will be sent to needy children all over the world!
